Organization's Address: 317 SW Alder Street
Suite 1200

City: Portland

State: OR

Zip Code: 97204

Organization's URL: www.assessmentinst.com

Existing Programs

Description: ATI helps K-12 educators dramatically improve student achievement by integrating student-involved classroom assessment with instruction. Twenty years of research prove that the principles of assessment FOR learning increase student motivation and performance, especially with under-performing students. Using ATI's professional learning-team model of staff development, teachers learn to apply these techniques in working with students, setting clear goals linked to standards, then regularly assessing progress toward these goals.
